

1991 Census England/Wales

1. Form for Communal Establishments, HM Ships or other vessels

To the Manager, Chief Resident Officer, Commanding Officer or other person in charge of a communal establishment:

To the Captain, Master, Commanding Officer or other person in charge of a vessel or HM Ship:

I am seeking your help in conducting the Census. Under the Census Act 1920 you have a legal obligation to list the names of the people in your establishment or on your vessel, to distribute forms to them and to collect the forms on completion. In a communal establishment you must also complete the 'type of establishment' panel. If you refuse to complete this form, or give false information, you may have to pay a fine of up to 400. The instructions opposite tell you what to do and should be followed carefully.

The Individual forms with which you have been supplied are for the returns to be made by or for each person who spends the night of **21-22 April** at this establishment or on board this vessel. To assist you in issuing and collecting the individual forms, spaces have been provided overleaf for listing those people.

The answers given will be treated in strict confidence and used only to produce statistics. Names and addresses will not be put in the computer: only the postcode will be entered. The forms will be kept securely within my Office and treated as confidential for 100 years.

Anyone using or disclosing census information improperly will be liable to prosecution. For example, it would be improper for you to pass on to someone else, information which you have been given in confidence on, or for completion of, an individual form.

Thank you for your co-operation.
