

Questions to discuss

- 1) Are crime levels going up or down?
- 2) How much of a problem is anti-social behaviour?
- 3) What types of crime are most common?
- 4) Do we have faith in the police?
- 5) Do we worry about crime too much?
- 6) Are there age differences in views of crime and the police?

What did you find?

- 1) Are crime levels going up or down?
- 2) How much of a problem is anti-social behaviour?
